Signature (if not delivered electronically (through Netskil))

How to deliver the form

Notification of change of address to Iceland must be delivered in person at Registers Iceland or at a Municipality Office. Passport must be presented.

Notification of change of address **from** Iceland can be delivered electronically, then a handwritten signature is not required. If the form is delivered through electronic delivery (Netskil) then a signature is not needed. If the form is sent by ordinary mail a copy of ID credentials must accompany the form (driving licence, passport or another valid travel document). If the form is delivered in person ID credentials must be presented.
